

EMOTIONS AND CONFLICT

PHD STUDENTS

Francois Bogacz

Topic: What is the influence of the mediator on inter-personal conflicts?

Supervisors: Dr. Olga Klimecki, Prof. Thierry Pun

E-mail: francois.bogacz@etu.unige.ch

Patricia Cernadas Curotto

Topics:

- Impact of compassion training on conflict
- impact of sleep deprivation on couple conflict

Supervisors: Dr. Olga Klimecki, Prof. David Sander

E-mail: patricia.cernadas@unige.ch

MASTER STUDENTS

Halima Rafi

Thesis topic : How does conflict affect neural representation of romantic partners?

Supervisors : Dr. Olga Klimecki & Prof. Dr. David Sander

Matthieu Vétois

Thesis topic : The role of emotion regulation in compassion training

Supervisors : Dr. Olga Klimecki & Prof. Dr. David Sander

Gladys Balthasar

Thesis topic : The impact of a compassion training on conflict resolution considering personality traits

Supervisors : Prof. Dr. David Sander, Patricia Cernadas & Dr. Olga Klimecki

Boaz Feldman

Thesis topic : Compare the impacts of compassion training and reappraisal training on emotional expression in couples' conflicts

Supervisors : Dr. Olga Klimecki, Patricia Cernadas & Prof. Dr. David Sander

Caroline Miron-Lapointe

Thesis topic : The impact of compassion training on emotional expression in couples' conflicts

Supervisors: Prof. Dr. David Sander, Patricia Cernadas & Dr. Olga Klimecki

Research Assistants:

Hélène Maurer

Topic : The impact of sleep deprivation on couple conflict

Tiffany Martin

Topic : The impact of sleep deprivation on couple conflict

Interns:

Cora Aguirre, Kacylia Pistoia, Stephanie Lameiras, Laurene Pereira

MEDITATION AND AGEING

PHD STUDENT

Sebastian Baez

Topic: empathy-related brain functions in elderly

Supervisors: Dr. Olga Klimecki, Prof. Patrik Vuilleumier

E-mail : sebastian.baez@unige.ch

MASTER STUDENTS

Niloufar Pouyan

Thesis topic : Relationship between personality traits and responders vs. non-responders to meditation training

Supervisors : Dr. Olga Klimecki & Prof. Dr. Christine Mohr (Université de Lausanne)

Clara Bordas

Thesis topic : Neural substrates of ageing

Supervisors : Prof. Patrik Vuilleumier, Dr. Olga Klimecki & Sebastian Baez

Silvia De Cataldo

Thesis topic : Neural substrates of ageing

Supervisors : Prof. Patrik Vuilleumier, Dr. Olga Klimecki & Sebastian Baez

Christel Maradan

Thesis topic : Comparing empathic neural responses in young and old adults

Supervisors : Prof. Patrik Vuilleumier, Dr. Olga Klimecki & Sebastian Baez

Julia Sachs

Thesis topic : Comparing psychophysiological responses in young and old adults

Supervisors : Dr. Olga Klimecki, Prof. Dr. David Sander & Sebastian Baez

Natalie Pfaff

Thesis topic : healthy ageing

Supervisors : Dr. Olga Klimecki & Prof. Dr. Stefan Schweinberger
(Universität Jena)
